

THE TRUE LIFE STORY OF **ABRAHIM** THE GYPSY KING!

It was the night of April 29th, 1970,

at the TSC Ranch, in Texas in the U.S.A. David and I were talking quietly and lovingly to one another--

We must leave soon for Europe! The Lord has done such great things for us here and guided us so miraculously. I'm sure He will do the same there, as we go into all the world to win others to Him.

When suddenly--

Never had such nice room like this! Only wagons. Never had nice warm like this. Build big fire! Camp under trees in forest!

At first I thought David was describing a place where he was visiting in his dream or vision, but as time went on--

Big solid wheels! Pretty colours, long dresses! So beautiful!

'Til Turks get us!

Wait a minute! I don't think this is David speaking! It sounds like someone else speaking through his mouth. Someone who speaks in childlike or broken English!

No warning! Turks come right out of woods, screaming and yelling on big horses! Wear little furry hats, and slaughter right and left with swords!

They kill me too!
They cut off my head!

Oh, Jesus!
Help us!

ABRAHIM!
WATCH OUT!

But we go up! We all go up to be with Jesus!

Oh, Jesus!
Jesus! I come
up! I come up
to be with You!

Come, Abraham! I
shall take you Home,
where you shall find
peace at last!

Seem like yesterday
when I go Home with
my people!

Finish
long
journey!
Arrive
Home!
Hallelujah!

Come,
Abraham,
to the
City of
Love!

What's it like in Heaven?

Heaven is big!
Lots of room!

With
planets?

With stars and
moon! Every-
thing is
Heaven, every-
thing!

But Heavenly City come down from Heaven! City like big gem!
Gold and diamond! Buildings like glass, like Crystal!

Heavenly City much
more beautiful
than anything in
the World!

Even better than
forest in Bulgaria!

Oh, thank You,
Jesus! You so
good! I so small!
You so great!

Since I go to Heaven, Jesus send me many,
many places!

I fly! No
longer wagon
with squeaky
wheels,
stubborn donkey
--plonk, plonk,
plonk!

Now I fly like angel! I travel much!
Make people happy! Tell people of
Jesus! One time go to Russia as
missionary!

My spirit go with
them. Gypsies send
missionaries to
Russia in long
caravan! My spirit
go with them!

You went to
Russia?

Romani! We are almost in
Moscow!

Ah, I so happy
Czar want to hear
about Jesus! He
good Czar! Good
to gypsies!

He will, O king! He
faithful! He give words!

Czar say, "Come! Con help Gypsy King Roma words!"

KING ROMANI OF THE GYPSIES!!

Allow him to approach!

Coverly

Oh, father! He is very strong and handsome!

Yes, my daughter, and I hear that he's the servant of a wonderful God!

You call for
humble Romani?

We have come to doubt the truthfulness of our religion. It seems so useless, pointless and empty!

I am sick of grand ceremonies, icons, and sad and dark temples! I ask my counsellors, "Who is happy in their service to God?" They said, "The Gypsies of King Romani in Bulgaria!" That is why I have sent for you!

So, tell me! What is it that you worship that makes you so happy?

Romani! Tell him story of Jesus! Be bold! He so ready! He precious soul ready for Jesus! I speak in you!

Oh Czar! We worship Jesus! Son of God! He is Love! That is why He send His Son to be in body like man.

And so Romani tell Czar story of Jesus! And he cry and ask Jesus to come into his heart!

Jesus, come into my heart. Forgive me for bad things.

Jesus, come into my heart.

Praise God!

I so happy! I dance all over Heaven!

Thank You Jesus! More children for Jesus for Love! Hallelujah!

Father!...
Whisper...
Whisper...

Romani, my daughter requests you to attend a banquet held in your honour tonight!

I am very happy to come, my lord!

Romani, I think my daughter has taken a strong liking to you!

Oh, father!

Czar love gypsy and give little princess to him for his wife! Then Czar make all Russia Christian!

LONG LIVE KING AND QUEEN ROMANI!

Then gypsies rule Bulgaria! Romani becomes King! So little Russian princess becomes Queen of Bulgaria!

When you came back in the Spirit from Heaven, did you help only the gypsies?

I do so many missions I can't remember! I help many people before David come! I comfort, I lead, I guide!

But I help only Christians!

I help Armenians to cross desert when Turks come! I help many martyrs killed for Jesus! Because I die for Jesus, I help many people die for Jesus!

Oh, Jesus!
Where do we go
from here?

This
way! To
Persia!

Then what happened to
the gypsies?

Oh, my people still wander, many
people wander many places! We wander
in all Europe 'til sometimes we forget
who we are!

Today, gypsy men
drink! Wives stay
home, watch
television!

I was guiding spirit of gypsy king in Houston, in
America! But gypsies in Houston no more gypsies! So I
leave him and go with new king--David!

Good shot!
Good shot!

KNOCK ! KNOCK !

Natuska, could you
see who's at the
door! And while
you're at it, could
you bring me
another beer?

RARH!

AND IT'S A
LONG
SHOT BY
MCKINLEY
ACROSS
THE LAKE
...RARH!

Stupid
imagination!
Image-nation!

BLISS
BUNNY

Yes, I know!

He real gypsy! I feel he have a true gypsy spirit, wild and free! He do more for Jesus! He need more help! I like to go with him!

Why did I say that?

THEN GO WITH HIM, ABRAHIM! GO WITH HIM!

It's possible? It's really possible?

HE CAME TO GET YOU! IT IS THE WILL OF GOD!

Oh, I'm so happy!

I do good job! I learn good English! I help him rule! I will think thoughts for David! See pictures for David! I help him make many boys and girls happy like gypsies!

SO YOU SHALL, ABRAHIM! YOU SHALL INDEED!

Abraham, watch your children play...

So God take me from old gypsies and give me to you, because you believe! Gypsies today no longer believe like in old times! They just want things! But David, he still Gypsy! His gypsies need more help!

David still travel with many, many children, like my band of gypsies in Bulgaria! Same thing! Same problems! Wheel break, car like mule, won't go, get stuck in mud! But we go! We always go!

Push!

We need more boards under the wheels!

Yes Sir!

VROOOOOOM!

And so Abraham has continued now for years to be our constant companion, guide, and helpful spiritual counsellor!

With his rich experiences of the past, and wisdom of the ages, Abraham has been our closest spiritual friend among the many God has given us!

YOU GOTTA BE A BABY,
TO GO TO HEAVEN...

David! I bring
you message from
Jesus!

Ahh, how
wonderful!

Abraham has stayed
close by us all
through these
marvellous years
of the exploding
Jesus Revolution!

As a messenger from God,
like an angel from above,
he's ever with us as one of
the Lord's own holy spirits,
revealing to us the wonders
of God, under his guiding
hand!

Prophesying of the future,
Abraham once told us--

I like it here with you!
But pretty soon David
die! Pretty soon he go
with me, by Holy Spirit
from God!

"Behold with what
love I have kissed
thy father and
manifested Myself
unto him!"

Your time
has come,
David!

I take you
home!

Hallelujah!
Thanks be
to Jesus!
Thank you,
too,
Abraham!

Then you take gypsies in
wagons, and you go! You Gypsy
Queen! You be good Shepherdess!
The Spirit of the Lord will
speak through you! And they
shall love their Gypsy Queen,
and you shall guide them into
a New World, 'til Jesus comes!

WHERE GYPSIES COME FROM:

1. Gypsies are early descendants of Jethro the Midianite, father-in-law of Moses, one of the early Arabs.
2. Jonadab, son of Rechab, a descendent of Jethro, commanded his Rechabite tribe never to live in houses, but in tents or mobile dwellings all their lives, so they'd always be ready to move to survive. They were faithful to keep this commandment,

and therefore God promised them that He would preserve them throughout all the ages!--And He has. The Gypsies are descendants of this Rechabite tribe! Some of them acted as guides for the Israelites on their march from Sinai to Canaan. They then settled in Judah.

3. The Jews eventually drove them back into Egypt where they lived as wanderers in the desert until captured by Babylonians as slaves.

4. It was in Babylon that they were first nicknamed "Gypsies," being from Egypt!
5. These "Gypsy" Arabs were then released and wandered eastward to Persia, then into
6. Northern India to which modern historians have traced them as far back as the 700's A.D.! They had a Kingdom there.
7. When kings of India drove them out, they wandered back westward to Persia, 8. Armenia, 9. Russia, 10. Romania, 11. Hungary, 12. and Bugaria. Abraham's tribe was killed by Turks in Bulgaria in 1272, but the Gypsies have kept on the move and are now found all over the World by the millions.
